

(Week #19)

Friday, January 17, 2025

Math Enrichment Opportunities:

<http://nrich.maths.org/weekly>

LATE WORK FROM 2024: Yesterday, Thursday, January 16th was the last day late work from 2024 could be completed and turned in. I will not accept missing work from 2024.

SKIPPED PROBLEMS ON HOMEWORK: I am no longer accepting homework with skipped problems. Students must attempt to solve every assigned problem on their homework. Remember, full credit on homework is issued if every problem is completed and all work is shown, regardless if the correct answer is given.

ABSENCES AND MISSING QUIZZES/TESTS/EXAMS: Since quizzes and tests make up 20% and exams make up 40% of your student's overall grade in my class, a missed quiz, test, or exam really hurts his/her math grade until that quiz, test, or exam is made up when he/she returns to school. PLEASE DO NOT PANIC!!! I always have students make up a missed assessment on the day they return and then immediately enter their score in the gradebook. Your student's grade may be "ugly" for a day or two until I see him/her again in class.

CHROMEBOOKS: All students need to remember to charge their chromebooks EVERY night, as well as bring their charger to school in case their battery does not last. In addition, students must remember to report to the chromebook hospital during zero period with any chromebook issues.

TARDIES: Students need to be in their assigned seat ready to learn BEFORE the bell rings. PLEASE TALK WITH YOUR STUDENT ABOUT THE IMPORTANCE OF BEING ON TIME TO EVERY CLASS.

INFRACTIONS:

Profanity, Dress Code, etc. EVERY 3 INFRACTIONS RESULT IN ONE LOWERED CITIZENSHIP GRADE.

Week #19 = 19 I-Ready Assignments Completed and Passed by yesterday at 8:59 pm!

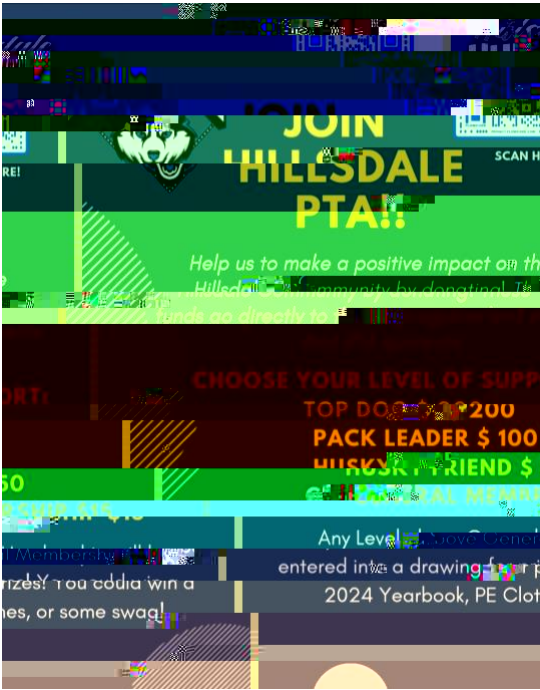

I-READY: I-Ready is a district-purchased online program for mathematics that will help personalize your student's learning and monitor progress throughout the school year. I-Ready consists of two parts: Diagnostic and Personalized Instruction that provides data to increase your student's learning gains.

This year, your student is required to take 3 diagnostic assessments and complete 1 math lesson per week. Every four weeks the I-Ready will be graded and students will earn a score reflective of the number of lessons they have completed to date. *Students who have completed 4/4 by week 4, 8/8 by week 8, 12/12 by week 12, and so on, will be able to participate in P.A.T. (Preferred Activity Time).* Students who have not completed the required lessons will work on I-Ready during that time.

I-READY LESSONS ARE DUE ON THE DAY BEFORE P.A.T. BY 8:59 PM. ANYTHING SUBMITTED AFTER 8:59 PM WILL NOT COUNT FOR THAT PARTICULAR WEEK.

TIMES TESTS: Every four weeks before P.A.T., all students will be taking a multiplication facts quiz (100 facts, 0's through 12's in 5 minutes 30 seconds). We have been working on this periodically in class, however you could also help your student at home to prepare for this quiz.

- 1) Make multiplication flash cards and quiz your student.
- 2) Print each of the four different Times Test forms from my website and practice, practice, practice! The Times Tests are in the LEFT navigation bar on my website, or you can click [HERE](#).
- 3) Log onto Hoodamath.com and have your student practice the multiplication timed test online.
- 4) Play Multiplication War with a deck of cards (5(s)-(Pla) MCI D 11/La43.30047>3gsen-US2 reW*hubA9

PROGRESS REPORT/REPORT CARD TIMELINE 2024-2025

Tri 1 Progress Report - September 27th marks the end of the 1st 6 weeks of Tri 1

October 4 - Progress Reports Available for Parents to print

TRI 1 REPORT CARD - November 1st marks the end of Tri 1

November 9 - Report Cards Available for Parents to print

Tri 2 Progress Report - January 24th marks the end of the 1st 6 weeks of Tri 2

February 1 - Report Cards Available for Parents to print

TRI 2 REPORT CARD - March 7th marks the end of Tri 2

March 15 - Report Cards Available for Parents to print

Tri 3 Progress Report - April 25th marks the end of the 1st 6 weeks of Tri 3

May 3 - Report Cards Available for Parents to print

TRI 3 REPORT CARD - June 17th marks the end of Tri 3

June 17 - Report Cards Available for Parents to print
