

his/her math grade until that quiz, test, or exam is made up when he/she returns to school. PLEASE DO NOT PANIC!!! I always have students make up a missed assessment on the day they return and then immediately enter their score in the gradebook. Your student will see him/her again in class.

CHROMEBOOKS: All students need to remember to charge their chromebooks EVERY night, as well as bring their charger to school in case their battery does not last. In addition, students must remember to report to the chromebook hospital during zero period with any chromebook issues.

TARDIES: Students need to be in their assigned seat ready to learn BEFORE the bell rings. PLEASE TALK WITH YOUR STUDENT ABOUT THE IMPORTANCE OF BEING ON TIME TO EVERY CLASS.

INFRACTIONS: An Infraction Log is kept daily for violations of basic school and classroom rules, which include but are not limited to the following: Gum, Tardy, Cell Phone ON, Inappropriate Use of Technology, Disruption, Not bringing necessary school supplies (charged chromebook and charger), Profanity, Dress Code, etc. EVERY 3 INFRACTIONS RESULT IN ONE LOWERED CITIZENSHIP GRADE.

TIMES TESTS: Every four weeks before P.A.T., all students will be taking a multiplication facts quiz. You could help your student at home to prepare for this quiz.

- 1) Make multiplication flash cards and quiz your student.
- 2) Print each of the four different Times Test forms from my website and practice, practice, practice! The Times Tests are in the LEFT navigation bar on my website, or you can click [HERE](#).
- 3) Log onto Hoodamath.com and have your student practice the multiplication timed test online.
- 4) Play Multiplication War with a deck of cards (remove the Kings, Queens = 12, Jacks = 11, and Aces = 1).
